

BODY GROOVE

Body Groove is before and foremost a group of friends, young and dynamic. Most of them met at the Lionel-Groulx College while studying in Music.

Acquiring a tremendous experience while performing in the biggest hotels of Thailand, India, Indonesia and China they worked very hard and passionately to put together a high quality show that would fit any kind of event.

Their energy is contagious and has propagated itself all over America since March 2003. As a matter of fact, they performed in Canada, The United States, Mexico, Dominican Republic and Venezuela.

In Quebec, it is in Festivals, Bars and Corporate Events that they have outdone others and thousands of people have been able to appreciate their talent.

Here are just a few of the important events Body Groove has performed in: The F1 Montreal Grand Prix, 3 years in a row, the Health Festival of Montreal, the SAQ International Fireworks at La Ronde, many Beach Parties for CKOI and at the Olympic Stadium for the opening and closing ceremonies for the last season of the Montreal Expos.

They have shared the stage with many Canadian renowned artists such as: Les Grandes Gueules, Martin Petit, Wilfred Lebouthillier, Annie Villeneuve, Florant Volant, Boogie Wonderband, Yelo Moro, Michel Pagliaro, Daniel Boucher, Lulu Hughes, Éric Lapointe and Jonas.
