ANDRE MARC – VOCALIST / CHOREOGRAPHER

What can be said about Andre Marc? Singer, songwriter, dancer, and model, Andre is enjoying his journey to stardom. The very first time he sang, he knew he was engulfed with passion. It's the music that ignites his fire to chase such a remarkable yet difficult dream.

Andre Marc was born in Toronto, Ontario a year after Michael Jackson's "Thriller" album was released. A child of the 80s, his work ethic symbolizes that era—an era in which so much artistic creativity bloomed. Andre demonstrates this through his image as well as his music. He's not a trend; he's a classic artist. Andre's style is as multifaceted as his inspirations: the great Marvin Gaye, Dennis Brown, Luther Vandross, Prince and Mariah Carey.

On September 2009, Andre Marc was crowned Mr. Caribbean Canada, and also won the award for Mr. photogenic. December 2009 would mark the year Andre hosted his first Beauty Pageant Miss Black Ontario. Andre embodies so much personality and drive, that when the Organizers began planning the event, there was no doubt in their minds he was the right choice. Though under a lot of pressure hosting the event, Andre still challenged himself and surprised the crowd with song. Showing just how much he's capable of making an event memorable and enjoyable.

An Intimate Evening is what Andre gave the audience on August 2010, where he produced his first showcase starring himself. It was the first time he wore the hat of the Boss and not just the artist, showing he's not afraid to take charge of his career and create opportunity. There is no stopping this force of nature from trail blazing his own path. Andre really showed that May 2012 when he produced and wrote "ANDRE'S CABARET" a mini musical showcase surrounded around his music. What else is in store for this ambitious young star, only God knows.

I was flattered but it took me a long time to embrace it because I was just looking to not be a carbon copy. Now I’m okay with it.”

Having gained her experience in the independent circuit for many years under the moniker Nyce Touch, Denise Deion is ready for a new start. Deion believes in captivating her audience with the kind of music that makes you dance, or kick back with a glass of wine, and a partner.

On stage she has had the opportunity to perform at many local events at venues such as The Government and The Opera House. Most notably Deion performed on a 5 city Ontario tour with Joell Ortiz.
