REFERENCE For FINESSE BAND

For the past 5 months, Janelle Thomas with her FINESSE Band formation has performed at Pub Tiga Puluh music bar + lounge here at Le Méridien Jakarta. For the time being, Finesse had a huge impact on the daily operation since they arrived on August 04, 2008.

I have been consistently impressed by Janelle's professionalism as well as the enthusiasm and joy that FINESSE as a band displayed every day. The large repertoire of songs and the weekly addition to their existing play list made FINESSE the best act since the night club venue opened here at Le Méridien in 1999.

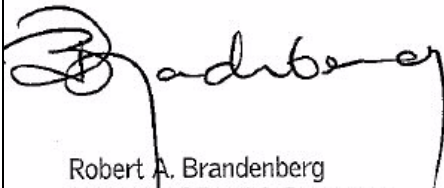

Le **MERIDIEN**

Both the skills of connecting with the guests as well as marketing the venue are huge advantages for the formation and Janelle Thomas as a serious musician. Our revenue in Tiga Puluh music bar + lounge as well as frequency of regulars and first time guests increased by over 30% during their engagement here.

All members showed motivation, respect and creativity throughout their entire length of the contract that I extended by 30 days due the tremendous success. I will hire Janelle Thomas and her formation again here at Le Méridien Jakarta for future arrangements to guarantee maximum satisfaction with our discerning guests and the highest level of musical performances.

I recommend Janelle Thomas and FINESSE without reservation. Please let me know if you need further information regarding their engagement here at Le Méridien Jakarta.

Sincerely,

Robert A. Brandenburg
