Carole Anne - This gorgeous and talented performer won't stop impressing you. Singer, painter, flutist, there's nothing that she can't do. Wanting to master the art of being a superstar, she even got herself a theatre diploma. Recently, she was seen performing all around Quebec with many french Canadian stars in collaboration with the famous singing contest Star Academie in which she finished in the top 14 of 5000. After a short break she joined Overdrive to fulfill two of her passions; singing and traveling. The most talented fun-loving performer you will ever meet, Carole-Anne's stage presence and energy is intoxicating!

Oliver - Born and raised surrounded by musicians, Oliver discovered very quickly that his life was going to be all about music. Starting off as a trumpeter, he joined his high school big band where he acquired a lot of musical knowledge and experience. Being a very charismatic person, he was quickly drawn towards the front of the stage. After he graduated, Oliver spent the 5 following years exercising his new passion by performing in bars and clubs all over Quebec with bands from various styles. Fueled by success in his home country, Oliver decided to join Overdrive and show the rest of the world, what real charisma and pure talent was all about!

Pamela - Get ready or she will make you ready. Having studied different forms of vocal technique from opera, jazz, blues and pop music, her style and diversity allows her to perform on any type of music. Pamela has a vast experience entertaining the crowd. Her musical career exploded once she reached top 80 in Canadian Idol at just 16 years old in 2003. She travelled Canada with corporate bands like La Gioventu and The Funktion to learn how to wow the crowds in the styles of Motown a la Aretha Franklin, Stevie Wonder, Kool and the Gang and top 40. She also is known as a local artist in Canada performing R&B, soul and jazz in upscale venues. Pamela is now ready to share the entertainment adventure with Overdrive.

Simon - During his entire career, Simon has succeeded everywhere he went because of his professionalism and of his natural talent as a stage man and as a keyboard player. Whichever gig he's on, he's always going to be having a very good contact with the crowd before, during and after the show. He started off his career as a guitar player, but quickly realized that his passion was for keyboards, sound and programming. He is a true sound library, carrying his computer everywhere he goes, able to recreate any instrumental tone you can hear on a radio, out of his keyboards. His groove and energy is going to make you want to dance and enjoy every single moment of the night!

Words cannot explain Mike's love for music, it has always been his biggest passion. He started playing bass guitar at the age of 15. At the age of 18 he joined a music school in Canada where he studied music for 3 years after which he started playing clubs in Montreal as a session bass player. This was only the beginning, he later played in some of the biggest hotels, resorts and casinos across the world (Atlantic City, Las Vegas, Mexico and Macau). While he is drawn to the music of other cultures, his real love is top 40. He has worked with different bands from around the world. He was with Max Tempo from 2008 to 2012 and during this time he worked in the Middle East (Dubai, Abu Dhabi, Oman, Bahrain) and China (Shenzhen). Mike has got the lows to draw the girls to the dance floor... He's got a mean groove!

Vince - Since touching his first guitar at the young age of eleven, Vince has had aspirations of becoming a professional musician. His persistence, hard work and talent have allowed him to accomplish his dream. This multi-instrumentalist has performed at many different venues for over ten years. He knows how to show his worth through his attitude, energy and stage presence. He has been the musical director of several groups including Tony Almonte, Purple Groove and Clip. Vincent was born to perform on stage.

Sam founded Overdrive. He is currently the drummer and manager of the band. Touring around the world for quite some time now with bands such as Akasha, Shards of Jade and others, he has acquired a lot of different skills. Playing in Canada, U.S, Mexico, Middle East and around Asia, he has learned to deal with any situation and to adapt to any kind of environment making him a great leader for the band. He started playing drums at the age of eleven, doing it professionally since he was fifteen, always dedicating most of his study and work time to his art. Loving it as much as he does, he plans on doing it for the rest of his life. Since his early days, his surroundings have always considered him to be a leader in nature and a lively person making his role as a leader and entertainer in Overdrive, a very fit role.
